**SUPPLEMENTAL RESPONSE**

The applicant requests that this communication be made a part of record and considered as a result of an in-person interview on February 17, 2005. This supplemental response is submitted to comply with the Examiner's recommendation to refine claim language in the existing claims as agreed to likely place the case in condition for allowance.

**AMENDMENTS TO THE CLAIMS**

The following listing of claims should be entered to replace all prior listings of claims in the application. In accordance with Rule 121, the status of each claim is indicated parenthetically. As can be seen, in this listing, claims 1 and 19 have been amended, claims 2-18, and 20-27 remain unchanged. Claims 1-29 remain in the application.

**LISTING OF CLAIMS**

1. (Currently amended) A cutting system comprising:
  - a frame member;
  - a blade body member which is responsive to said frame member;
  - a blade element connected to said blade body member which is held by said blade
